PROFESSIONAL SUMMARY

Electrical Engineer with 2+ years of experience in transformer manufacturing, project planning, and execution. Skilled in material planning, supply chain coordination, inventory management, and customer inspection handling for large-scale power and renewable energy projects. Experienced in EHV, IDT, WTG, and distribution transformer projects exceeding ₹800+ Cr.

KEY SKILLS

- Project Planning & Execution
- Material & Production Planning
- Transformer Manufacturing Coordination
- Inventory & Supply Chain Management
- Customer & Vendor Coordination
- Inspection Planning & Documentation
- Delay Analysis & LD Case Preparation
- Risk & Opportunity Management
- ERP (Infor LN), MS Excel, Google Sheets

PROFESSIONAL EXPERIENCE

Executive – Planning & Execution | Tesla Transformers (India) Limited, Bhopal | Jun 2023 – Present

- Prepare sales and production plans for power and solar transformer divisions.
- Plan critical transformer materials and coordinate fund allocation for timely procurement.
- Coordinate inspection schedules and project execution timelines with customers.
- Maintain optimum inventory levels to prevent production delays.
- Prepare delay analysis and Liquidated Damages (LD) cases for EPC clients and utilities.
- Coordinate with design, purchase, production, quality, commercial, and logistics teams.

KEY ACHIEVEMENTS

- Executed planning for 1100+ transformer projects including EHV, IDT, WTG and Distribution transformers.

- Handled projects with cumulative value exceeding ₹800 Crore.
- Supported projects for major developers including Tata Power, Adani Green, L&T and NTPC renewable projects.
- Led Planning & Execution department operations for 2.5 months in absence of department head.

EDUCATION

B.E. – Electrical & Electronics Engineering | Oriental College of Technology, Bhopal | 2023 | 74.1%

TECHNICAL SKILLS

- ERP: Infor LN
- MS Excel, Word, PowerPoint
- Google Sheets

ADDITIONAL INFORMATION

- Languages: English, Hindi
- Technical Training: Electrical Loco Shed, Itarsi (2022)
- Achievement: 1st Position – RGPV Nodal Level Theater Competition (2019)
