Summary

I am an Electrical Engineering student with knowledge of electrical systems, electrical machines, EV technology, power systems, and renewable energy. Hardworking, quick learner, and eager to apply technical skills in a professional environment to contribute effectively to organizational growth.

Education

Bachelor of Engineering (Electrical Engineering)	2022 – 2026
Gokhale Education Society R.H. Sapat College of Engineering, Nashik Savitribai Phule Pune University (SPPU)	CGPA: 7.5 / 10
Higher Secondary Certificate (HSC)	2022
Swami Vivekanand Jr. College of Science, Shirsondi	79/100

Internship Experience

Student Intern Dec 2024 – Jan 2025
Watt N Volt Transformers Pvt. Ltd., Nashik

- Learned the basic process of transformer manufacturing including winding, testing, and assembly.
- Gained practical knowledge of transformer construction and testing procedures.

Academic Project

Solar Based EV Charging Station

- Designed a solar based EV charging station for sustainable and eco-friendly electric vehicle charging.
- Integrated renewable energy sources with energy storage systems and power electronics for reliable operation.
- Focused on reducing grid dependency and promoting green mobility.

Technical Skills

- AutoCAD
- MATLAB
- Electrical Machines
- Power Systems
- EV Technology
- Electrical Safety

Achievements & Certifications

- AutoCAD 2022 Certification
- MATLAB Basics Certification
- NPTEL Soft Skill Development Course
- Winner – Everse 23 Competition (College Level)

Hobbies

- Playing Cricket
- Learning about personal finance & investments
